EAL is the specialist skills partner and awarding organisation for industry. We are committed to investing in the industries we serve and the careers of the people working within them. Through industry partnerships and years of experience supporting our core sectors, we have built unrivalled knowledge and understanding of employer skills needs. As a result, EAL's skills solutions and qualifications are respected and chosen by employers to deliver real career benefits for all our learners.

Collaboration is the cornerstone of everything we do. Our long-term partnerships with employers, professional bodies and our parent organisation Semta help us offer qualifications and skills solutions that are fine-tuned for the needs of our sectors. For our learners this delivers added value and underpins their careers in industry.

Through our External Quality Assurance Service we work hand in hand with our recognised Centres to support the highest standards in training and qualifications delivery. For employers, this approach delivers a value-added service and assurance that their learners achieve the standards required by their industry. Our Centres can also rely on their dedicated EAL External Quality Assurer (EQA) as a trusted partner for expert support and guidance.

Purpose of the Role

To manage a suite of centres to externally quality assure EAL products and services, ensuring they are being delivered in line with required quality standards, regulatory requirements and to monitor centres against EAL Centre recognition requirements and policies.

As a key interface between EAL and its customers, acquire an in-depth knowledge of their business objectives, needs, challenges, personalities and decision makers and use this knowledge to grow profitable business to ensure EAL is their Awarding Organisation of choice. With focus on:

To ensure EAL are regulatory compliant

To ensure the retention of existing EAL centres and to grow existing business
