# **WORLDSKILLS UK**

## **ENGINEERING**

WorldSkills UK is a set of dynamic skills competitions for young people and adults, designed and delivered by industry experts. They run each year in over 70 skills across the UK.

Top scorers from across the regional heats and selection events will be invited to compete at National Finals at WorldSkills UK LIVE.

Many of the WorldSkills UK Competitions also lead to WorldSkills International Competitions where around 72 countries come together to compete for medals on an international stage.

### **Who can enter?**

- Those at least 16 years of age on 1 September 2018 are eligible to compete during the 2019 competition cycle.
- Employed having completed a UK qualification within the last 12 months, studying or an apprentice at the specified level of the competition.
- Currently either employed or in education/training in the UK.

### **WorldSkills UK Engineering Categories**

- Aeronautical Engineering: Avionic
- Aeronautical Engineering: Mechanical
- Automation
- CNC Milling
- CNC Turning
- Construction MetalWork
- Industrial Electronics
- Manufacturing Team Challenge
- Mechanical Engineering: CAD
- Mechatronics
- Robotics

- SkillWeld

### **ENTER NOW!**

Registering for the competitions is simple; enter online at [www.semta.org.uk/worldskills-disciplines](http://www.semta.org.uk/worldskills-disciplines) from Friday 1st March until Friday 5th April

# WHY SHOULD YOU AND YOUR ORGANISATION ENTER?

## **Benefits for competitors**

- 1** Raises your profile within your organisation
- 2** Showcases your talent, technical ability and hands on skills
- 3** Gives you development opportunities through technical advice and training
- 4** Gives you the opportunity to celebrate your achievements
- 5** The opportunity to benchmark your skills against your peers from other regions and nations
- 6** Contributes towards the completion of the apprenticeship standard

## **Benefits for organisations**

- Raises your organisation's profile as a competitive, visible employer
- Builds your reputation as a responsible employer
- Gives staff greater development opportunities through qualifications and training programmes
- Motivates your workforce and improves professional recognition
- Demonstrates expertise in your field
- Contributes to the 20% off the job training requirement for apprenticeship standards and can be funded through the apprenticeship levy

## **National Final**

The WorldSkills UK Skills Competitions are held at WorldSkills UK LIVE and play a vital role in raising standards, esteem and levels of expertise in further education, apprenticeships and skills. Over 500 of the best competitors across all skills in the UK compete for Gold, Silver and Bronze medals, each of them hoping to be named the UK champion in their chosen skill.

Attracting more than 75,000 visitors, WorldSkills UK LIVE is the nation's largest skills and careers event that helps to shape the future of a new generation.

It brings together business, government and education, representing a diverse range of sectors, from engineering and construction, business and IT, to hospitality and creative arts.
